How To Make The Transition From Boyhood To Manhood:

- 1) _____
- 2) _____
- 3) _____

The Responsibility Of Being A Man

Becoming a man is a developmental process that requires maturing and growing into responsibility. This process does not happen just because you get older, taller, or acquire hair on your chest. However, this process requires you to examine the attributes of a man. Afterward, you can access the qualities that are manly or boyish and make the proper adjustments towards manhood.

1. *What are some differences between a boy and a man, in your opinion?*

2. *Why is it important for a man to be responsible?*

Be responsible for your actions!

3. *Name two benefits of being a responsible man*

4. *Name two negative consequences of being an irresponsible man.*

5. *Why is it important for a man to be a producer?*

The Responsibility Of Being A Man

6. *What are some things you would like to produce in your lifetime?*

7. *List three things you believe a man should protect.*

8. *Why is it important for a man to protect his community?*

9. *Name three things you think a man should provide for his family.*

10. *What are some areas that you need to work on to be a responsible man?*

The Responsibility Of Being A Man

Male Quest # 1

A. Make It Real

1. Clean up your room and thoroughly organize the area at your home that you are responsible for maintaining.
2. Think about three areas of your life that you need to become more responsible in and implement a game plan to improve in those areas.
3. Spend at least ten minutes of your time protecting the beauty of your community (school, church, or organization) by throwing away any trash left behind.
4. Write a 1-2 page paper, or poem, song (any other creative way) to express *what being a man means to you*.

B. Keep It Real

1. Memorize Key Principle # 1.
2. Teach what you have learned to someone else.

Key Principle # 1

He, who is responsible today,
will rule tomorrow.

He who is irresponsible today,
will be ruled tomorrow.
